Case Study: Integrating an EntreComp based framework

EEUK – May 13th

Team Academy – Basic Concepts

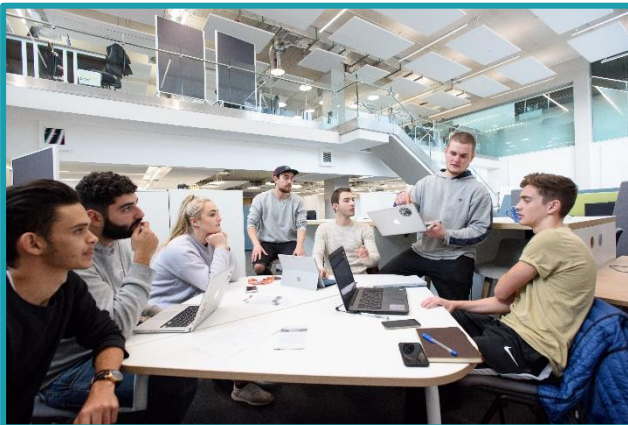

Not students	<i>But team entrepreneurs</i>
Not classrooms	<i>But an open plan office</i>
Not teaching	<i>But learning</i>
Not teachers	<i>But coaches</i>
Not simulations	<i>But real ventures</i>
Not control	<i>But self-organising</i>

Entrepreneurs (and enterprising people) need to:

- Manage themselves
- Work with others
- Find out stuff
- Generate value
